Plans for your puppy

Please tell us a little bit about how you plan to integrate your new puppy into your family

LIVING SITUATION FOR YOUR PUPPY. Please describe the living situation for the puppy. Is someone home during the day at your house? How many hours daily would the dog be left alone? If no one is at home during the day, would you plan for someone to come into your home to let the puppy in and out during the potty training stage? (A doggy daycare if run properly, can be an excellent choice for working new puppy parents as well once your puppy has had all of his/her vaccines.)

SLEEPING. Where do you plan on having your puppy spend the night? (Please be specific, e.g., in a kennel in the garage, in a playpen in the kitchen, in a crate in my bedroom, on the bed with my kids.)

TRAINING. Our contract requires training, whether structured classes or your own training. What type of training will you and your puppy participate in?

Structured in-person classes

- Self-training
- Online classes

GETTING PUPPY HOME. How do you intend to get your puppy home? (Pick up by car, fly to our local airport and take the puppy in-cabin, etc). Please note, we do NOT ship puppies and you must have a reliable and safe way to take your puppy home.

SOCIALIZATION. Socialization with humans and other dogs is critical to the healthy emotional development of a puppy. How do you plan to properly socialize your puppy?

PLANS FOR NEW DOGS. Are you or anyone in your household planning on getting another puppy during the next year? If so, please provide details on the breed, breeder, and goals for that puppy.

MANAGING PUPPYHOOD. Puppies often have a lot of energy and can chew, dig, bark, soil the house, and cry at night. They can play roughly and scratch your skin with teeth and nails, they can get sick on floors, furniture, and in cars. Please tell us your patience level and how you might deal with the challenges of puppyhood.

PLEASE TELL US MORE. Is there anything else you would like us to know about your preferences, you, your family, or your living situation that relates to having a puppy?

• Breeding is a complex endeavor, and our first priorities will always be health and temperament, not color or other aesthetic traits.

ENERGY LEVEL. The energy level in my household is:

- We are a very low-energy household and need a dog that shouldn't be expected to do or get out much beyond potty breaks and the occasional short walk.
- We are sporadically active and want a dog that is more interested in lounging than playing.
- We lead a moderately active life and are frequently busy and want a dog that we can do things with on weekends.
- We are a very active household and always on the go and want a dog that is energetic enough for daily physical activity (this includes families with kids that will play daily with the dog).
- We are energizer bunnies and need a very active dog that can keep up with multiple daily activities.

- I understand that the contract requires spay/neuter between [18months-24months]
- I understand these requirements are in the purchase contract for the puppy and will not be changed after you sign your contract. For this reason, we recommend you discuss this with your vet PRIOR to making your reservation.

MAKING THE RIGHT CHOICES. We need to be sure you have a understanding of what is involved with taking home a puppy.

- We provide as much guidance, support, and education as we can about each of these topics, but ultimately it is your responsibility to be an educated and informed puppy parent.
- Your application will not be responded to and will be rejected if you do not select each checkbox.

Please read and agree to the following

- (1) I understand that I am getting a puppy and that no matter how well prepared and trained my puppy is, it is still a baby and I should expect my puppy to have accidents in the house and crate, to cry and bark, to nip and bite, and to require a great deal of patience and attention. I understand that these are NORMAL puppy behaviors and that I expect them to happen.
- (2) I understand that dogs have grooming requirements.
- (3) I understand that the ears of my dog will need to be cleaned weekly or more if my dog swims or is in a humid environment.
- (4) I understand that while you provide Foundation Puppy Training that I need to learn how to train and maintain my dog's training and that may require the assistance of a dog trainer.
- (5) I understand that puppies have delicate digestive systems and that changing the food my puppy goes home eating can cause severe gastric distress. I agree to use the same dog food my breeder sends my puppy home on until the puppy is at least 4 months of age.
- (6) I understand that while you screen your breeding dogs for hips health, canine hip dysplasia is multi factorial and that it is equally important that I maintain my dog/puppy

at an ideal weight, provide quality nutrition, don't over exercise my puppy, and provide a safe environment to do my part in maintaining my puppy's joint health.

Reservation application terms

(1) I understand that my Reservation Fee gives me a place on the reservation list in order of acceptance.

(2) I also understand that the breeder, however, has the right to select breeder choice puppy or puppies from any litter.

(3) I have chosen this breeder because of her expertise and experience. Therefore, in the best interest of the puppies and of my family, I agree that the breeder also reserves the right to not offer a given puppy to a family if she believes that the puppy would not be suitable for that family for whatever reason.

- I agree to the terms of my agreement

Signature

(1) I have answered the above questions truthfully and understand that if any false statements have been given, MXC Braques reserves the right to refuse to sell a puppy to me and my reservation fee is forfeited.

(2) By signing this application, I acknowledge that the reservation fee will not be refunded if I am given the opportunity to receive a puppy within 12 months of the date of reservation fee payment or 6 months of my decision to "pass" on a puppy/litter, whichever is sooner.

(3) By entering my name in this textbox, I agree that the signature is the legal equivalent of my manual signature.
